

September 2019

Dates for your diary

Wednesday 9th October-
Photographer in.

Friday 28th October- End of term

Photographs

On the 9th of October the photographer will be taking Christmas photographs of the children. If your child does not attend on this day, then you are welcome to bring them in at 9 o'clock to have their photos taken.

What's new at Quetta Park?

This year we are going to go to 'In the moment planning' the staff have all attended training and we are very excited about starting this at Quetta Park.

It is a simple concept where the child has the lead in their learning and the adults identify 'Teachable moments' for example, a child may find a worm outside and wants to learn what they eat and where they live. The adult will help the child access the information through books or the internet then extend it to making a habitat for the worms. The initial idea came from the child then the adults identify the teachable moment.

From next week, the children will come into the room and join their Key Carer for an adult led activity in their small groups. After, the children set their own agenda for the rest of the session, choosing where and what they want to play with.

Please see Julie if you would like more information.

Child Vacancies

We have several spaces for new children. If you know of any friends or families that have a child between the ages of 2 and 4 years of age then please pass on our details to them.

Thank you ☺
